

**Computing and IT-Related Programs Leading to Bachelor's Degree
Accredited by Japan Accreditation Board for Engineering Education (JABEE)**

JABEE has been admitted as a full signatory to the Seoul Accord since 2009. Recognition of the substantial equivalency of the accredited computing and IT-related education programs by the other signatories of the Seoul Accord has been effective since 2009.

Abbreviation of Field of Discipline

- CS: Computer Science
- IS: Information Systems
- IT: Information Technology
- *CG: Computing General

*Abbreviation above is tentative and will be decided later.

List of Programs Accredited Under the Seoul Accord	
Institution	Program Title
Oita University Dept. of Computer Science and Intelligent Systems, Faculty of Engineering http://www2.cc.oita-u.ac.jp/eng/index.html	Computer Science and Engineering (CS) 2010- * The program was first accredited by the criteria applied to Washington Accord in 2005 and was valid until 2009. The program chose to be accredited by the criteria applied to Seoul Accord in 2010.
